

Faculty Statement of UA ChBE GAANN Nomination

I hereby nominate _____ for a U.S. Department of Education Graduate Assistance in Areas of National Need (GAANN) Fellowship in the Department of Chemical and Biological Engineering (ChBE) at The University of Alabama (UA) in the field of Polymers and Soft Materials (Poly-SM).

I understand and agree to the following fellowship conditions:

1. Faculty advisors are responsible for ensuring the Fellows' fulfillment of the teaching requirement. This will include ensuring that the Fellow is assigned an appropriate Teaching Mentor (TM), submitting the end-of-semester data for the *GAANN Review Report*, and monitoring the completion of this requirement in full.
2. If Fellows are making satisfactory academic progress and require additional time beyond their participation in the UA ChBE GAANN Fellowship Program to complete their Ph.D.'s, the Faculty Advisor will be responsible for providing them with financial support until they complete their degree.
